Jeff Rose, VicePresident
Health System Services, Niagara Falls, NY

Program:

Administrators, CEOs, CFOs, COOs, DONs, Corporate Staff and discharge planners will all be curious as to how the impact of this program will affect their organization. From the acquisition of ancillary services (i.e. Enteral Nutrition) to the preparation for a resident's safe discharge home, this program will focus on practical solutions so you can be fully prepared for the July 1 implementation of Competitive Bidding.

This session will detail the genesis of the program, its current status and expectations for the future. At the conclusion of this session, you will have a complete understanding of the program and how you will be affected, and a "check list" to prepare for Competitive Bidding.
